That Plan of Campaign.

The Tribune says The Herald has t caught on to the fact that the constitutional election is of great import-

quently.

Now, as to exposing the Democratic plan of campaign That is an open book, and for fear the Tribune may not be able to read it, it may be said that the plan in this county, in brief is—to elect the Democratic candidates from Compressional delegate to the last man on the ticket. The Democrats of Weber county are not fighting for a part, they are fighting for everything, and there is no secret about their plan of campaign.

Some plain truths were stated regarding Cannon's record to the county are stated regarding to the county are stated regarding to the county are stated regarding to the county are not fighting to the county are n

date for recorder of this county, may be qualified to fill the position if elected, but he is not a better man for the place than John G. Tyler.

Mr. Tyler has been thoroughly tried. He was postmaster once, and all the people said he performed his duty perfectly. He has been recorder, and all the people say he is a splendid officer. Compare the two men honestly and without prejudice and by all odds Mr. Tyler is the best man for the place.

Jessie G. Stratford wants to be treasurer of this county. His record is all right, because it is yet to be made. He is not a match for Mr. Boyle in any way, however. Mr. Boyle in any way, however. Mr. Boyle in any through the fiery ordeal of making a record, and he has made a good one. Mr. Boyle is not an experiment. Mr. Stratford is.

Stratford is.

Heber Wright does not ask the suffrages of the people of this county simply because he is the Democratic nominee for sheriff. He possesses qualifications which entitie him to consideration. He is honest, capable, a successful business man, is cool-headed and full of courage, all of which is necessary for the successful discharge of the duties of that office. Mr. Bowman has never distinguished himself in any special way while acting as a public official of this city. He may be and doubtless as a fair road builder, but it is a question whether he is cool-headed enough to make a careful official in the

Hon. C. C. Richards made a ringing speech at Liberty last evening, which was listened to by a large and enthusiastic audience. Liberty will do her duty on election day.

At Kanesville, Hon. David Evans and Thomas Maloney scale to a grood

and Thomas Maloney spoke to a good sized audience last evening. The people out in this vicinity have become thoroughly aroused, and the Democrats will doubtless carry the precinct. Several of the candidates for county of figes went out to Kanesville last evening.

Judge Rhodes was the principal speaker, and for over two hours he spoke to the people on the issues of the day. His remarks were to the point and greatly appreciated, as shown by the frequent rounds of applause with which they were received. His tribute to Rawlins set the people wild. He spoke on the silver question and reviewed the financial problem in an interesting way. What he had to say on the tariff called forth a question as to free wool, which the judge answered to the satisfaction of the great majority of the people

ssent, and to the discomfiture of the present, and to the discomfiture of the Republican who propounded it. In speaking of local affairs, he urged the importance of electing all the candidates on the Democratic ticket and especially the constitutional delegates, pointing out the evils that would follow in case the Republicans gained control of that body.

Mr. Charles Kent sang one of the best campaign songs yet heard here, entitled "Frankie C."

A. J. Webber made a brief talk, speaking mainly on local issues and referring to the Democratic candidates. The glee club sang a popular song and the meeting adjourned at II o'clock. Over 708 people were present at this

Over 700 people were present at this rally, and they listened with marked attention to all that was said.

Side Lights.

Mr. Peterson, the Republican candidate for recorder of this county, may date for recorder of this county, may nave a vein 2½ feet wide. The value of a ton of this ore is estimated at 8%, and the mine is located on the county line, due east of Smith's station, about eight miles from railroad. A force of men will be put to work on the property during the coming week.—Millard County Progress.

The date of the great struggle for the location of the capital of Montana is eagerly looked forward to.

On Bruneau river, about four miles from Mitchell & Blatzer's store, at a depth of 200 feet, while boring for artesian water, Mr. Dodge lately struck a very pronounced vein of oil. At this interesting juncture the piping gave out and Mr. Dodge came up on Tuesday for a supply to continue the work.

The Lewiston banks have disbursed \$50,000 on Camas Prairie this season for outside cattle buyers.

Surveyor General Straugham has approved the survey of the Fort Hall reservation, including the re-survey for the correction of erroirs in a certain portion of the reserve, and the papers have been forwarded to Washington. Their approval by the department will doubtless be immediately followed by arrangements for allotment of the land to the Indians.—Idaho Statesman.

OUR EASTERN NEIGHBORS.

Rev. Sherman Cooledge, the full blood Arapahoe Indian, who has been the Episcopal minister at Fort Washakle for two years past, started last Sunday on a lecturing tour through the east. The Gazette has met Rev. Cooledge many times and predicts that he will meet with great success. He is a living example of the civilization of the Indian, and controverts many old theotries about that race of people.—Lander Gazette.

The Republican ring leaders are getting greatly worried over their diminishing prospects at the coming election. The people are beginning to understand the importance of the election and they will come out on election day and swamp the ring ticket of the Republicans. It must be done to prevent a repetition of the theft and indolence of the Republican managers, who say they do not care a continental for the rank and file of the party.—Boomerang.

Professor Lewis and E. H. Nye speak at Riverdale this evening.

Judge Smith and one or two gentlement from Salt Lake city will speak in the Fourth ward tomorrow night.
